

September 10, 1955

Utah Water & Power Board  
State Capitol Building,  
Salt Lake City, Utah.

Gentlemen:

RE: RESTORATION PROCLAMATION  
WEBER RIVER

This office is in receipt of a letter dated Sept. 6, 1955, from the Weber Basin Water Conservancy District, a copy of which is enclosed, in which they request that the Weber River and tributaries, and the drainage area of certain streams on the Wasatch mountain front in Davis and Box Elder Counties, be restored to appropriation at an early date.

The withdrawal Proclamation was signed by Governor J. Bracken Lee, on February 2, 1949 and the letter from the Conservancy District, points out that all purposes sought to be accomplished by the withdrawal have been achieved.

We are therefore preparing a proclamation for restoral of the Drainage area of the Weber River and tributaries, and drainage area of named streams in Box Elder and Davis Counties, for consideration and approval of the Governor and hope to be able to start publication shortly after September 15, 1955; and we are advising you with respect to this problem as a public agency interested in the matter.

Very truly yours,

Joseph M. Tracy  
STATE ENGINEER

JMT/ab

Encl. Letter

CC: Governor Lee
